S&T Interiors (UK) Limited

The project reconfigured the ground and basement levels of the existing hotel to provide five new retail units on Oxford Street and Old Quebec Street of 25,000 sq ft.

development of Finkernagel Ross Architects' design, complete the technical detail design and delivery stages, and to ensure the required high-quality finish was achieved within the clients' commercial parameters.

-  **High end residential for Private Equity**
-  **Contemporary design, meticulous delivery**
-  **Camden Conservation area**

Subhead example

The Elsworthy Collection is high-end residential development in Primrose Hill, due to complete in 2018. The four-storey development aims to create unique and exciting contemporary interiors within the reconstructed façades of two late-Victorian houses on Elsworthy Road. The development comprises a 6-bedroom house, a 4-bedroom maisonette and three flats designed to meet Camden's stringent planning requirements in the sensitive conservation area location.

Box Architects were appointed by S&T to lead the
